

PERFORMANCE

SAE 5W-30

Semi-synthetic Engine Oil

Description

Omnecraft Performance 5W-30 is a premium semi-synthetic engine oil designed to provide an excellent level of protection and performance.

Features and Benefits

Omnecraft Performance 5W-30 is industry proven so you can trust you will get the performance you want from your vehicle. It contains a low-friction semi-synthetic formulation which increases engine efficiency.

- Excellent wear protection
- Excellent engine cleanliness
- Excellent high-temperature protection

Applications

Omnecraft Performance 5W-30 is formulated to give you the confidence in protection beyond that of conventional oils. We particularly recommend it for the following vehicle types and conditions:

- Petrol vehicles
- Highway cruising
- Normal to occasionally severe operating conditions
- Turbochargers
- Stop-and-go city driving
- High-performance engines

Always consult the owner's manual to check recommended viscosity grade and specifications for your particular vehicle.

Specifications and Approvals

Omnecraft Performance 5W-30 meets or exceeds the requirements of: API SN, ILSAC GF-5.

Available in 5L, 20L and 208L sizes from Ford Trade Club
