Omnecraft™ oil

Grades and specifications

TITANIUM D1 5W-30

Full Synthetic

A full synthetic high-performance engine oil, which provides excellent high temperature protection even under severe operating conditions.

The oil is designed to help provide long engine life and outstanding protection in vehicles of all ages, outperforming our conventional synthetic blended products.

It provides outstanding protection against sludge, engine rust and corrosion under severe and low-temperature operating conditions and provides optimum viscosity and fluidity across a broad range of temperatures.

Specifications and Approvals

Omnecraft Titanium D1 5W-30 meets or exceeds the requirements of: API SN, ILSAC GF-5, **dexos1™ Gen 2** (License No. D10664HJ179).

TITANIUM D2 5W-30

Full Synthetic

A full synthetic high-performance low ash engine oil designed to help prolong the life and maintain the efficiency of the Exhaust Emission Reduction Systems, suitable for use in both petrol and diesel engine, passenger cars and light commercial vehicles.

Permits extended operation at elevated temperatures without oxidative oil thickening and oil breakdown.

Yet provides excellent fluidity at low temperatures allowing easy winter starting and rapid oil circulation around the engine.

Specifications and Approvals

Omnecraft Titanium D2 5W-30 meets or exceeds the requirements of: API SM, ACEA C3, **dexos2™** (License No. D20665HJ179).

Omnecraft Titanium D2 5W-30 is recommended for use in applications requiring General Motors service fill **dexos2™**.

Omnicraft™ oil

Grades and specifications

PERFORMANCE 5W-30

Semi-synthetic

An enhanced premium semi-synthetic engine oil, designed to provide an excellent level of protection and performance.

Industry proven so you can trust you will get the performance you want from your vehicle. It contains a low-friction semi-synthetic formulation which increases engine efficiency and offers greater fuel economy.

- Excellent wear protection
- Excellent engine cleanliness
- Excellent high temperature protection
- Excellent fuel economy

Specifications and Approvals

Omnicraft Performance 5W-30 meets or exceeds the requirements of: API SN, ILSAC GF-5.

PERFORMANCE 10W-40

Semi-synthetic

An enhanced premium semi-synthetic engine oil, designed to provide an excellent level of protection and performance.

Industry proven so you can trust you will get the performance you want from your vehicle.

- Excellent wear protection
- Excellent engine cleanliness
- Excellent high temperature protection

Specifications and Approvals

Omnicraft Performance 10W-40 meets or exceeds the requirements of: API SN, ACEA A3/B3.

PREMIUM 10W-30

Mineral

A premium quality mineral engine oil designed to provide a high level of performance and protection under most operating conditions.

Meticulously engineered for today's tougher engine specifications. It provides very good engine protection and extends engine life.

- Excellent wear protection
- Excellent engine cleanliness

Specifications and Approvals

Omicraft Premium 10W-30 meets or exceeds the requirements of: API SN, ILSAC GF-5.

PREMIUM 15W-40

Mineral

A premium quality mineral engine oil designed to provide a high level of performance and protection under most operating conditions.

Industry proven so you can trust you will get the performance you want from your vehicle.

- Good wear protection
- Good engine cleanliness
- Good high temperature protection

Specifications and Approvals

Omicraft Premium 15W-40 meets or exceeds the requirements of: API SN, ACEA A3/B3.
